Note: You need at least one Director, two Shareholders, Secretary, and a witness to register your company. For Organisation we will require more information but you need at least two or more trustees.

But before sending us the above data, you need to first send us two name options you would like to use for your company, business, or Organisation, also your own (Names, address, NIN, date of birth, and phone number). Then get other information ready while we reserve the name.
